## Core Inspiration behind SRMS Trust

### Late Shri Ram Murti Ji

(08.02.1910 - 02.10.1988)

Former UP Minister & Former Parliamentarian

Shri Ram Murti Ji was born on February 08, 1910 in a renowned zamindar family from the lineage of Sahu Thakur Dass at village Dhaura of District Bareilly. After attaining the basic education from Bareilly, he completed graduation from Banaras Hindu University and thereafter did Post Graduation and LL.B. from Lucknow University.

Being impressed with the philosophy of Gandhi Ji and inspired by the thoughts of Mahamana Pt. Madam Mohan Malviya he courted arrest while studying in Banaras Hindu University. He took a part in all Satyagrahs and Quit India Movement launched by AICC under the mature and dynamic leadership of Gandhi Ji. He was a true Gandhian. He was imprisoned several times during freedom struggle and was sentenced Kaal Kothari for two months.

Shri Ram Murti Ji declined to accept the pension offered to the freedom fighters, since he was of the conviction that whatever he did for the mother land was out of patriotism and not for material gains. In pursuance of the same spirit he donated 30 acres of agricultural land in the Bhoodan Movement of Late Shri Vinoba Bhave. He breathed last on October 02, 1988.

## Shri Dev Murti Ji

Founder & Managing Trustee, SRMS Trust

On behalf of SRMS, I would like to congratulate the staff, the students, and all the others directly and indirectly associated with SRMS Trust for the successful completion of more than three decades.

Late Shri Ram Murti Ji was a great source of inspiration for the students particularly the meritorious but economically weak. Therefore, the Trust decided to offer financial help to economically weak but meritorious students from the day of its inception. Initially such help was limited to only 10+2 and undergraduate students (1990). Later on, such scholarship was extended to the students pursuing Professional, Technical and Medical courses in the institutions run by the Trust. The year 2007 was the turning point when Trust decided to distribute Scholarships of ₹ 3.5 CRORE annually to meritorious students of institutions.

We, at SRMS, strive to become the front runner in the field of education in India by attracting and nurturing the best talent and providing them a platform where they can strengthen and grow their core competencies and build their career as world-class professionals.

We are creating an educational hub that would not only provide opportunities to the talented students of Uttar Pradesh, but would also attract the best talents of different states of India.

We also advise the parents that the greatest gift to their child is to be a caring, supportive and understanding parents. The children who are benefitted with positive parenting grow up with right qualities and get-ahead in life.

May the Almighty shower His blessings on all of us and give us the strength to face all the challenges that come our way!
