SHRI RAM MURTI SMARAK
COLLEGE OF ENGINEERING & TECHNOLOGY
BAREILLY (U.P.), INDIA

Our Inspiration

Late Shri Ram Murti Ji
(08.02.1910 - 02.10.1988)

The SRMS Trust was established in the memory of Late Shri Ram Murti Ji, veteran freedom fighter, a true Gandhian, Ex-Parliamentarian and Ex-Minister, U.P. Govt.

Shri Ram Murti Ji was born on February 08, 1910 in a renowned zamindar family from the lineage of Sahu Thakur Dass at village Dhaura of District Bareilly. After attaining the basic education from Bareilly, he completed graduation from Banaras Hindu University and thereafter did Post Graduation and LL.B. from Lucknow University.

Being impressed with the philosophy of Gandhi Ji and inspired by the thoughts of Mahamana Pt. Madam Mohan Malviya he courted arrest while studying in Banaras Hindu University. He took part in all Satyagrahs and Quit India Movement launched by AICC under the mature and dynamic leadership of Gandhi Ji. He was a true Gandhian. He was imprisoned several times during freedom struggle and was sentenced to Kal Kothri for two months.

Shri Ram Murti Ji declined to accept the pension offered to the freedom fighters, since he was of the conviction that whatever he did for the mother land was out of patriotism and not for material gains. In pursuance of the same spirit he donated 30 acres of agricultural land in the Bhoodan Movement of Late Shri Vinoba Bhabhe.

He breathed last on October 02, 1988.

"Such a Great Soul – A Truly Inspiring One"

कांक्षन्तः कर्मणां सिद्धिं यजन्त इह देवताः ।
क्षिप्रं हि मानुषे लोके सिद्धिर्भवति कर्मजा ।।

OUR VISION

- To help build India as a world leader in technical education.
- To establish and develop world class institution for overall growth in an era of globalization.
- To facilitate easy access to technical education to all sections of society.
- To develop and provide a professionally qualified technical workforce for augmenting the nation's human resources.

OUR MISSION

- To impart academic excellence in technical education.
- To inculcate high moral, ethical, & professional standards among our students and to improve overall personality.
- To evolve the institution to the status of a Deemed University.
- To strive incessantly to achieve the goals of the institution.

Vision

Mission

Values

OUR VALUES

- Integrity
- Excellence
- Fairness
- Innovativeness

Quality Policy

Quality Policy

- To make the college a Centre of Excellence in technical and professional education.
- To carry-out research, consultancy and training for meeting the needs of society at large.
- To plan, act and check with high degree of social sensitivity through defined procedures.

- Our assets - Our students
- Our means - Our staff

CONTENTS

Message from *Chairman*

Your decision to choose your career in Engineering / Pharmacy / Computer Application / Management at SRMS Institutions is highly commendable. On behalf of SRMS Trust family, I extend a warm welcome to you. Our Vision, Mission, and Values are the pillars that guide our institution towards excellence.

We believe in providing the best infrastructure and intellectual capital to our students to help them achieve their goals. Along with academic pursuits, we encourage our students to participate in technical, cultural, and sports activities for their overall development.

At SRMS Institutions, we understand the constantly evolving needs of society. Therefore, we impart education beyond the prescribed syllabus, so our students can become more than just Engineers/Pharmacists /Managers/Entrepreneurs.

We are proud to say that our alumni have won national and international accolades and have been placed globally. We are delighted that you have chosen to join our Trust Institutions. We have provided world-class infrastructure to ensure that you receive the best education and training to become responsible citizens of the country. Remember, personal growth is your responsibility.

As Swami Vivekananda said, "You have to grow from the inside out. None can teach you, none can make you spiritual. There is no other teacher but your own soul." At SRMS Institutions, we work and live as a family unit. We hope that your experience with us will be comfortable, productive, and unforgettable.

DEV MURTI
Founder & Chairman
SRMS Trust

Shri Ram Murti Smarak
College of Engineering & Technology, Bareilly

AKTU COLLEGE CODE   **014**

APPROVAL & RECOGNITION

Shri Ram Murti Smarak College of Engineering & Technology, Bareilly has an independent residential campus spread over 35 acres of land with all- weather roads, lush green lawns, playgrounds, multi-purpose hall, air-conditioned classrooms, gymnasium, squash court and 53020 sq.m. of built-up area on the campus. The college offers undergraduate and postgraduate courses with professional orientation to internationally recognized standards of excellence. The college inculcates values and ethics in its students, so that the pride of SRMSCET may become an asset to our Nation. The college has demonstrated perennial evidence of merit and quality. It is developing by leaps and bounds in terms of infra-structural facilities and human capital not only to fulfill the requirements of the current technological status but also to set itself as a teaching and research center of eminence in the future.

SHORT TERM GOALS

Integrate United Nations Sustainable Development Goals (SDGs) into the curriculum for all courses

Support research on sustainable materials and eco-friendly technologies

To initiate entrepreneurship development program for students.

Implement energy-saving measures across campus facilities

International Exposure for Research & Development

Boost placement packages through training and industry-focused skills

Organize hackathons and innovation challenges centered around SDG themes

Industry-ready professionals have skills, adaptability, and knowledge for success.

LONG TERM GOALS

To acquire academic autonomy/status of Deemed University.

Develop specialized research & innovation centers in emerging technologies like AI, IoT, Robotics, & Sustainable Energy

To Forge Long Term Partnership with industry ties for internships, placements, projects, curriculum enhancement.

Collaborate with reputed foreign universities for exchange programs, joint research, & dual-degree offerings.

Consistently improve NIRF ranking and aim for international accreditations like ABET and AACSB.

Establish a well-supported incubation center to nurture student-led startups and entrepreneurial ventures

Invest in professional development, research funding, and competitive pay to attract top faculty.

Ensure that curriculum across departments is continuously updated to meet the dynamic demands of global industries.

Digitize administrative processes, learning systems, & data analytics for improved governance and decisions.

To instill a strong sense of social responsibility, encouraging active participation in community development

INNOVATION & INCUBATION CELL

Under SRMS Trust's Innovation & Incubation Cell, Shri Ram Murti Smarak College of Engineering and Technology (SRMS CET), Bareilly has launched a dynamic initiative aimed at fostering innovation, entrepreneurship, and the startup ecosystem among its students and faculty. The SRMS CET Startup Initiative is designed to nurture creative ideas, transform them into viable business models, and support the entrepreneurial spirit of the youth. The vision of the SRMS CET Startup Initiative is to create a vibrant and self-sustaining entrepreneurial culture that empowers students to become the innovators and leaders of tomorrow.

The college runs an Incubation center as a Section-8 company in the name of SHRI RAM MURTI SMARAK CHARITABLE FOUNDATION (U85499UP2024NPL196842) to promote innovation and entrepreneurship. It works in the direction to get engaged with the government regulating and funding agencies for startups. It helps in incubating startups promoted in the nearby region along with the ecosystem for the startups of enterprising students and immediate alumni of the educational institutions. It provides working space, shared office, business guidance, mentoring, and other technical resources for the new entrepreneurs. It also promotes college education at the national an international forums and rankings.

Salient Features

- 01 Pursual of Innovative Ideas
- 02 Evolution of Startups ideas
- 03 Roadmap to Prototype Development
- 04 Interaction with Industry experts and Innovators
- 05 Guidance for Entrepreneurial Skills

Key Features :

- 10,000 sq. ft. area.
- 10 well equipped cabins for individual assistance for incubatees.
- Individual presentation rooms.
- Hi-Tech. facilities.
- Expert mentors including all domains such as software, manufacturing, agri- business etc.

INSTITUTION'S INNOVATION COUNCIL INITIATIVES

Institution's Innovation Council (IIC) established at Shri Ram Murti Smarak College of Engineering & Technology, Bareilly with **2 Stars Rating** had undertaken various activities prescribed by Innovation Cell, Ministry of Education, Govt. of India to promote Innovation and Startup in Campus during the IIC calendar year 2023-24. It actively engages students in various activities aligned with the United Nations Sustainable Development Goals.

The council organizes guest lectures featuring experts who discuss sustainable urban development and environmental conservation, fostering awareness among students Through these initiatives, like workshops industrial collaboration, boot camps etc. the IIC nurtures a culture of innovation and social responsibility among students, preparing them to contribute positively to society while addressing global challenges. Additionally, poster-making competitions encourage students to creatively express their ideas related to climate action and sustainable living.

The incubation center is incubating the following Startup:

PIOUS BIOSPHERE PRIVATE LIMITED

It emphasizes on implementing a waste management system that separates waste streams at the source, allowing for efficient recycling and responsible disposal of various waste types. It works on adopting environmentally conscious practices for waste that cannot be recycled like exploring waste-to-energy solutions or utilizing authorized landfill sites that adhere to strict environmental regulations. This extends to exploring innovative methods to minimize resource depletion and promote their sustainable use throughout their lifecycles. It transforms waste products into novel, sustainable alternatives by employing cutting edge processes and technologies to create eco-friendly products that meet current market demands and become a frontrunner in sustainable waste management and contribute significantly to a more responsible and eco-conscious future.

Focus Areas | Plastic Waste Recycling | Refurbished Instruments | 3D Toys Printing & Reshaping

VICTUALS WELLNESS PRIVATE LIMITED

It focuses on cultivating mushrooms & medicinal plants, promoting eco friendly practices in agriculture and further processing, refining, extracting, cleaning, packing and to do all such acts as are necessary to make the produce ready for consumption by human. It makes use of efficient resource management techniques such as water recycling and energy conservation. It provides a range of sustainable gifts to inspire conscious consumption and promoting eco-friendly practices in an affordable way for every occasion, every person and every home to make sustainable living accessible to all and hence encouraging a greener future for our planet.

Focus Areas | Production, Packaging & Inventory Management of Seeds | Turmeric, Mushroom, Cookies

BLITHE BOOM SYSTEM PVT. LTD.

Blithe Boom System Pvt. Ltd. is at the forefront of technological innovation, driving transformation across multiple high-growth industries, including healthcare technology, travel technology, professional training, and software services. The company pioneers two digital platforms E-Health and My Trip Advisor (MTA) each designed to revolutionize its respective sector through cutting-edge artificial intelligence (AI), real-time data processing, and user-centric solutions. Beyond its technological ventures, Blithe Boom is committed to skill development through its student training programs, offering structured learning opportunities at nominal fees to enhance knowledge and career readiness.

Additionally, the company operates in Software and Allied Services, specializing in database administration and security. This division follows a project-based revenue model, ensuring operational efficiency by managing high-value software project while strategically outsourcing to maximize cost-effectiveness.

Focus Areas | Software Development in the Domain of Healthcare | Travel, Tourism & Learning Management

To nurture leadership and communication skills, SRMS Trust established the SRMS Toastmasters Club in June 2024 under the aegis of Toastmasters International, USA. Since then, it has evolved into a vibrant platform for aspiring speakers and leaders. An orientation programme was held for the renewing batch at SRMS CET, Bareilly, to introduce new members to the club's purpose and values. A demo meeting themed "Challenge Accepted" encouraged students to strengthen their communication, leadership, and critical thinking abilities while expanding their professional network.

The club has marked several milestones during its journey. TM Chahak Agarwal and TM Riya Rastogi completed the esteemed Chief Judge Program, while TM Amina Varshney and TM Chahak Agarwal advanced in the Dynamic Leadership Pathway. Members represented the club in area-level contests, including table topics and international speech categories. The club also hosted two orientations, demo meetings, and a three-day Bootcamp across SRMS CET, CETR, IMS, and IPS.

Club members took on leadership roles in external clubs such as Lucknow Toastmasters, UGI, Gabby International (Bangalore), and Noida Toastmasters. With 34 meetings and participation in two TLI sessions, the club entered its third tenure on 1st April 2025, continuing its mission to build confident communicators and capable leaders.

THE HISTORY OF TOASTMASTERS

When Ralph C. Smedley formed the first official Toastmasters club in 1924, he sought to create a collaborative learning environment where young men could learn the art of public speaking. A century later, nearly 8 million members (of all genders) in 148 countries/territories around the world have worked on bettering themselves thanks to Smedley's vision of a club environment where members prepare and deliver speeches, respond to impromptu questions, and give and receive constructive feedback.

Hand Holding Initiative

(AN INNOVATIVE APPROACH TO CREATE COLLABORATIVE LEARNING ENVIRONMENT)

Background

Due to rapid technological advancements, change at a very fast pace is being noticed in all facets of life. The educational institutions engaged in professional domains like Engineering, Management, Computer Application, Medicine, Pharmacy, Nursing, Paramedical and Law are facing a challenge to bridge the industry academia gap. A number of initiatives have so far been taken for ensuring the industry readiness of budding graduates by bridging the gap between industry and academia through Guest Lectures, Alumni Lectures, Internships, Industrial Visits, Exposure to R&D through funded projects and patent filing, Active participation in knowledge sharing forums like symposiums / seminars / conferences, and various co-curricular / extra-curricular activities and competitive events. Over the period of time, the accessibility of abundant information through various online sources has increased drastically which has adversely impacted the students' attendance in classrooms. Therefore some innovative approaches which can ensure the industry readiness of budding graduates by adding a personal connect between the students and mentors through which they can be guided and inspired for better career path.

Hand Holding Initiative: The Idea

Valuing the idea "Collaboration allows us to know more than we are capable of knowing by ourselves", "Hand Holding Initiative" in teaching pedagogy refers to providing extensive guidance and support to learners, especially when they are new to a subject or task. This approach is often used to help students build confidence and competence before gradually encouraging them to work more independently. Connecting the students of professional programs with their seniors, alumni, and teachers can create a supportive network that enhances the hand holding approach.

Hobby Classes in Association with

SRMS | Riddhima
A Centre of Performing & Fine Arts
Affiliated to Indira Kala Sangit Vishwavidyalaya, Khairagarh (Chhattisgarh)

Shri Ram Murti Smarak College of Engineering and Technology (SRMSCET), Bareilly, in collaboration with SRMS Riddhima—A Centre for Performing and Fine Arts—offers a vibrant array of hobby classes tailored for students across disciplines such as B.Tech., M.Tech., MBA, BBA, MCA, BCA, B.Pharma., and M.Pharma. This initiative aims to enrich the academic experience by integrating cultural and artistic pursuits into the students' lives.

THEATRE

VOLINI

VOCAL

PROFESSIONAL PHOTOGRAPHY

SRMS Riddhima, established by the Shri Ram Murti Smarak Trust, is affiliated with Indira Kala Sangit Vishwavidyalaya, Khairagarh, Chhattisgarh. The center is dedicated to preserving and promoting the Ganga-Jamuni cultural heritage of Bareilly. It offers specialized training in various art forms, including classical music (vocal and instrumental), classical dance (Kathak and Bharatnatyam), drama and theatre, fine arts, and photography. The hobby classes are designed to cater to students' diverse interests and schedules. Courses range from short-term 45-day programs to more extensive diploma courses spanning up to three years.

These classes provide hands-on experience and are conducted by seasoned professionals and artists, ensuring quality education in the arts. By participating in these hobby classes, students can explore and develop their creative talents alongside their technical or managerial studies. This holistic approach to education fosters personal growth, enhances cultural awareness, and promotes a well-rounded personality. Moreover, the skills acquired can open up new avenues for self-expression and even potential career opportunities in the arts.

SRMS Riddhima also organizes various events and competitions, providing students with platforms to showcase their talents. These events not only celebrate artistic achievements but also encourage community engagement and cultural exchange. In essence, the hobby classes at SRMSCET, Bareilly, in association with SRMS Riddhima, offer students a unique opportunity to balance their academic pursuits with artistic endeavors, leading to a more enriched and fulfilling educational experience.

TYRO CLUB SWEARING-IN CEREMONY

HOLISTIC DEVELOPMENT : CULTURAL FEST
ZEST
Annual Cultural Festival celebrating Diversity, Creativity & Tradition

The Annual Cultural fest of Shri Ram Murti Smarak College of Engineering and Technology (SRMSCET) in Bareilly, was organised on November 29-30, 2024, with the theme "Virasat" A Legacy to Hold. The two-day event featured a variety of activities, including an Alumni Meet, Battle of Bands, Renaissance (a fashion show), Street Play, Mime, Group Dance, and a DJ Night.

The fest commenced with an inauguration by Shri Dev Murti, Chairman of SRMS Trust, who emphasized the importance of honoring heritage by engaging in activities like planting saplings and maintaining the cleanliness of the River Ganga. The theme of street play 2024 was "Pravaha". High-energy group dance performances, culminated in a DJ Night featuring popular Bollywood tracks. Additional events included Duet Singing, Situational Antakshari, Reel Making, Solo Singing, Solo Dance, Sketching, Painting. The events were graced by dignitaries, including Richa Murti, Director of SRMS Goodlife Hospital, Dr. Prabhakar Gupta, Principal CET & Dr. (Air Marshal) M.S. Butola, Principal SRMS IMS.

Day one included energetic Bollywood group dances, band performances, drama acts, and theme-based dances. The day concluded with events such as Solo & Duet Dance, Mime, Rangoli Making, Solo Singing, and various art competitions.

Zest Annual Cultural Fest is organized by the student team of Tyro Club (with Support of various other students clubs like Literary Club, Music Club, Equinox Club, Media Relation Club etc) of SRMS College of Engineering & Technology, Bareilly. Tyro Club team works day & night to make the Cultural Fest Zest memorable.

HOLISTIC DEVELOPMENT :
SPORTS FEST
AAMOD

Annual Sports Festival where Passion meets Competition

AAMOD, the sports extravaganza was organised by SRMSCET in collaboration with the Tyro Club on 8 April - 13 April 2024 , with remarkable enthusiasm and anticipation from both the organisers and participants. The teams showcased their skills and competitive spirit across various sporting disciplines. The competitions encompassed a diverse range of sports, including cricket, chess, basketball, volleyball, kho-kho, badminton, carrom, football and table tennis. Participants exhibited exemplary sportsmanship and dedication, contributing to the overall excitement and fervour of the event.

Honorable Chairman Shri Dev Murti Ji, along with other esteemed guests, commended the participants for their hard work, perseverance, and sportsmanship throughout the duration of Aamod in addition to students' competitions.

Aamod featured a special attraction that brought together faculty members in friendly yet fiercely contested matches. Faculty teams showcased their skills in mix-cricket, badminton (singles and doubles), and table tennis (singles and doubles), adding an extra layer of excitement to the event.

SRMS College of Engineering, Technology & Research (CETR), Bareilly marked 6.0 Edition of the Fit India Program under Fit India Week 2024 with a lineup of engaging activities aimed at promoting physical and mental well-being. This initiative, part of National Fit India Movement, seeks to inspire schools, colleges & higher educational institutions to champion active lifestyles through a variety of fitness sessions, while fostering teamwork.

The spirited competition fostered camaraderie and highlighted the importance of sports in promoting physical fitness and mental resilience. Participants also took the Fit India Pledge to lead an active, healthy lifestyle by dedicating 30 minutes daily to fitness, while encouraging others to stay fit. They also pledged to take quarterly fitness assessment test on the Fit India mobile application. Overall, the event was a resounding success that inspired participants to embrace a healthier lifestyle.

FIT INDIA WEEK 2024

HACKATHON 3.0

The HACKATHON 3.0, organized by Shri Ram Murti Smarak College of Engineering & Technology, Bareilly, was officially launched in November 2024 with the theme "Sustainable and Circular Solutions for Disaster Management." From its launch, the event witnessed enthusiastic participation from across the country. A total of 103 ideas were submitted, out of which 77 were shortlisted for the final round. Out of these, 46 teams registered, and 37 teams actively took part in the 36-hour event held from 27th to 29th March 2025.Participants came from various states across India, including Tamil Nadu, Telangana, Madhya Pradesh, and Uttar Pradesh, reflecting a diverse and competitive spirit. The Hackathon was organized by the Techedge Cell in collaboration with the Institution's Innovation Council (IIC) of SRMSCET, Bareilly. The event provided a platform for young innovators to present practical and sustainable solutions for disaster management, encouraging creative problem-solving and collaborative teamwork. Through this initiative, the college demonstrated its commitment to fostering innovation, sustainability, and technological advancement among students. Hackathon 3.0 successfully brought together bright minds and inspired meaningful dialogue and development around one of today's most urgent global challenges—disaster preparedness and resilience.

TECHVYOM

Techvyom which is designated to be a National level technical fest was organised in Shri Ram Murti Smarak College of Engineering and Technology, Bareilly on the 11th May, 2024. It offered all the students a wholesome advantage to out-shine their technical skills on a bigger platform. This annual technical festival has prizes of worth Rs. 50,000/-.

The inaugural ceremony which was embraced by the dignified presence of honourable Chairman Shri Dev Murti ji, Various technical events like Robo war, Boat race, Tech Gallery, Line following robot, Chain Reaction, Web development etc were held. Students from all the departments had participated with full zeal in these competitions & events Techvyom ended with the prize distribution ceremony .

SCHOLARSHIPS OF SRMS TRUST
FOSTERING A CULTURE OF HONORING MERIT

A scholarship is an ideal gift for an enthusiastic student. It not only helps in pursuing higher studies but also helps in fostering career objectives and personal growth. Most college students manage their education through scholarships as it removes financial barriers, and by Shri Ram Murti Smarak Trust enables them to realize their dreams.

SRMS Trust is proud to foster students' success through scholarship support. By providing access to cost-effective educational and training opportunities to meritorious students, our scholarships enrich the talents of the students by unleashing potential. We believe that excellence must be recognized and particularly encouraged. That's why SRMS Trust assists its students with scholarships that encourages them to excel and reward them for their future endeavours.

TUITION FEE WAIVER SCHEME

In an effort to realize its vision to build India as a World Leader in Professional Education & Healthcare, Shri Ram Murti Smarak Trust has introduced **SHRI RAM MURTI SMARAK TUITION FEE WAIVER SCHEME** to impart free professional education to the meritorious students of economically weaker section of the society. This scheme is applicable to admissions in different programs/courses offered by Shri Ram Murti Smarak Trust Institutions. The scheme only relaxes 100% Tuition Fee. Any other fee such as hostel fee, university examination fee and other charges will be applicable as per the fee structure.

The students admitted under this scheme will furnish a bond to serve the Research Cell of SRMS Trust Institutions for a period of two years. However, in case of their selection for higher studies, NOC can be availed for serving the aforesaid bond after the completion of the higher studies.

The Tuition Fee Waiver Scheme is applicable to the following courses:

• **Shri Ram Murti Smarak College of Engineering &Technology, Bareilly.**

  B.Tech. | B.Pharm. | BBA | BCA | MBA | MCA

OBJECTIVE OF THE SCHEME:

To impart free professional education to the meritorious students of economically weaker sections of the society.

COLLEGE/COURSE WISE ALLOCATION OF SEATS UNDER SHRI RAM MURTI SMARAK TUITION FEE WAIVER SCHEME

Institute Name	Program/Course	No. of Free Seats
Shri Ram Murti Smarak College of Engineering & Technology, Bareilly	B.Tech.	02
	B.Pharm.	01
	BBA	01
	MBA	01
	BCA	01
	MCA	01

ELIGIBILITY CRITERIA

B. Tech.
• Passed 10+2 examination and obtained at least 60% marks in the PCM and 90 percentile in JEE (Mains).
• Compulsory Subjects in 10+2 examination – Mathematics, Physics & Chemistry.

B.Pharm.
• Passed 10+2 examination and obtained at least 60% marks in the PCM/PCB and 90 percentile in CUET (Pharmacy).
• Compulsory Subjects in 10+2 examination – Mathematics/Biology, Physics & Chemistry.

BBA
• Candidate must have passed 10+2 Level or equivalent (with 50% aggregate marks) from a recognized board.
• Admission under management quota will be made on the basis of merit of 10+2 Level.

Master of Business Administration
• Passed Bachelor Degree of minimum 3 years duration. Obtained at least 70% marks and 90 percentile in CUET PG/ MAT/GMAT/CAT.

BCA
• Candidate must have passed 10+2 Level or equivalent (with 50% aggregate marks) from a recognized board.
• Admission under management quota will be made on the basis of merit of 10+2 Level.

Master of Computer Applications
• Passed B.C.A/ B.Sc. (Computer Science)/ B.Sc. (IT) / B.E. (CSE)/ B.Tech. (CSE) / B.E. (IT) / B.Tech. (IT) or equivalent Degree. OR Passed any graduation degree (e.g.: B.E. / B.Tech. / B.Sc / B.Com. / B.A./ B. Voc./ etc.) with Mathematics at 10+2 level or at Graduation level Obtained at least 60% marks and 90 percentile in CUET PG.

ENTRY LEVEL SCHOLARSHIP

To emphasize its vision, mission & ideology of giving back to the community is supreme to the functioning of Shri Ram Murti Smarak Trust, and it always strives to make a difference in the lives of those who deserve it.

To make quality technical education accessible to all strata of masses regardless of the cast, ideology, religion and economic class, the Trust has introduced Entry Level Scholarship (ELS) to the meritorious, vigorous & commendable students wherein they may pursue BBA, MBA, BCA, MCA, B.Pharm., & B.Tech. program in the stream of Computer Science & Engineering, Electronics & Communication Engineering, Mechanical Engineering, Information Technology and Electrical & Electronics Engineering at the institutions established and run by the SRMS Trust.

SELECTION CRITERIA:

The selection process will comprise of the following rounds to be conducted by SRMS Trust:

Round 1 – Registration

Round 2 – SRMS Entry Level Scholarship Test

Round 3 – Personal Interview Group Discussion (as applicable)

CRITERIA FOR ENTRY LEVEL SCHOLARSHIP

B.Tech. / B.Tech. (Lateral Entry)	
On the Basis of SRMS ELS TEST / SRMS ELS TEST (L)

ACADEMIC SCHOLARSHIP

Every year SRMS Trust recognizes all the meritorious students based on their performance in university examinations. For this, the SRMS Trust has earmarked `3.5 Crore to be distributed every year to the meritorious students of the SRMS Trust Institutions. The Trust has laid down the following criteria for the award of scholarships:

CRITERIA FOR THE ACADEMIC SCHOLARSHIP
B. Tech. | B. Pharm. | BBA | MBA | BCA | MCA | M.Pharm. | M.Tech.

1. Students securing 86% or more marks in their annual result of the University Examination — Equivalent to the % of marks secured (Minimum ₹ 86,000/-)

2. Students securing 85% or more marks but below 86% in their annual result of the University Examination — ₹ 35,000/-

3. Students securing 80% or more but below 85% in their annual result of the University Examination — ₹ 30,000/-

4. Students securing 75% or more but below 80% in their annual result of the University Examination — ₹ 20,000/-

MEDALS & CASH PRIZE

SRMS Trust has been fortunate in receiving excellent support from the Trustees and well-wishers, who have come forward and instituted various medals and other awards to encourage our students. The medals, awards and cash prize instituted are as follows :

B. Tech.

- Shri Ram Murti Gold Medal for the highest scorer final year passing out B.Tech. student of the college.
- Shri Ram Murti Silver Medal for the second highest scorer final year passing out B.Tech. student of the college.
- Shri Ram Murti Bronze Medal for the third highest scorer final year passing B.Tech. student of the college.
- Prem Prakash Gupta Charitable Foundation Gold Medal for the best B.Tech. all-rounder of the final year batch of the college.
- Er. Subhash Mehra Gold Medal for the highest scorer of B.Tech.- Computer Science & Engineering, of the passing out batch.
- Dr. Usha Mehra Gold Medal for highest scorer of B.Tech.- Electronics & Communication Engineering, of the passing out batch.
- Er. P.N. Gupta Gold Medal for the highest scorer of B.Tech.- Electrical and Electronics Engineering, of the passing out batch.
- Dr. Asha Gupta Gold Medal for the highest scorer of B.Tech.- Mechanical Engineering, of the passing out batch.
- Shri Laxmi Bhushan Varshney Gold Medal for the highest scorer of B.Tech.- Information Technology, of the passing out batch.
- Shri Ram Murti Special Prize for the outstanding performer under graduate student every year in overall sports activities.
- A cash prize of ₹ 51,000/- is awarded to the student securing the first position in the passing out batch of B.Tech. subject to the condition that the student has secured more than 80% marks.
- A cash prize of ₹ 21,000/- is awarded to the student securing the first position in the respective branch in the passing out batch of B.Tech. subject to the condition that the student has secured more than 75% marks and has not received cash prize of ₹51,000/- as mentioned for batch topper.

M. Tech.

- Shri Ram Murti Gold Medal for the highest scorer final year passing out M.Tech. student of the college.
- Shri Ram Murti Silver Medal for the second highest scorer final year passing out M.Tech. student of the college.
- Shri Ram Murti Bronze Medal for the third highest scorer final year passing out M.Tech. student of the college.
- A cash prize of ₹ 21,000/- is awarded to the student securing first position in the passing out batch subject to the condition that the student has secured more than 75% Marks.

P.G. Stipend

Trust provides ₹6000 per month to all M. Tech. candidate in the 1st year & ₹ 7000 per month in the 2nd year (10 month per year). GATE qualified candidates will get AICTE stipend i.e. ₹ 12,400 per month from AICTE + ₹ 3000 & ₹ 3500 in 1st & 2nd year respectively from Trust.

B.Pharm.

- Shri Ram Murti Gold Medal for the highest scorer final year passing out B.Pharm. student.
- Shri Ram Murti Silver Medal for the second highest scorer final year passing out B.Pharm. student.
- Shri Ram Murti Bronze Medal for the third highest scorer final year passing out B.Pharm. student.
- Shri Ram Murti Gold Medal for the best all-rounder of the college of passing out B.Pharm. student.
- A cash prize of ₹ 21,000/- is awarded to the student securing the first position in the passing out batch of B.Pharm. subject to the condition that the student has secured more than 75% Marks.

M.Pharm.

- Shri Ram Murti Gold Medal for the highest scorer final year passing out M. Pharm. student of the college.
- Shri Ram Murti Silver Medal for the second highest scorer final year passing out M. Pharm. student of the college.
- Shri Ram Murti Bronze Medal for the third highest scorer final year passing out M. Pharm. student of the college.
- A cash prize of ₹21,000/- is awarded to the student securing first position in the passing out batch subject to the condition that the student has secured more than 75% Marks.

P.G. Stipend

Trust provides ₹ 6000 per month to all M. Pharm candidate in 1st year and ₹ 7000 per month in 2nd year (10 month per year).

MBA

- Shri Ram Murti Gold Medal for the highest scorer final year passing out MBA student of the college.
- Shri Ram Murti Silver Medal for the second highest scorer final year passing out MBA student of the college.
- Shri Ram Murti Bronze Medal for the third highest scorer final year passing out MBA student of the college.
- A cash prize of ₹ 21,000/- is awarded to the student securing the first position in the respective course in the passing out batch of MBA, subject to the condition that the student has secured more than 75% marks.

MCA

- Shri Ram Murti Gold Medal for the highest scorer final year passing out MCA student of the college.
- Shri Ram Murti Silver Medal for the second highest scorer final year passing out MCA student of the college.
- Shri Ram Murti Bronze Medal for the third highest scorer final year passing out MCA student of the college.
- A cash prize of ₹ 21,000/- is awarded to the student securing the first position in the respective course in the passing out batch of MCA subject to the condition that the student has secured more than 75% marks.

SHRI RAM MURTI SMARAK PHARMACY STUDENT BRINGS LAUREL BY SECURING 1ST RANK IN AKTU EXAMS, EARNING THE PRESTIGIOUS GOLD MEDAL WITH AN EXCEPTIONAL 9.20 CGPA!

Shri Ram Murti Smarak College of Engineering & Technology (Pharmacy), Bareilly feels privileged to share that one of its brilliant Pharmacy students, Anjali Indian, B. Pharm., Batch 2020 has secured the 1st Rank in Dr. APJ Abdul Kalam Technical University (AKTU) Lucknow Examination 2023-24. Ms. Anjali Indian has earned a Gold Medal with a CGPA of 9.20 for her remarkable achievement, which is a testament to her hard work and dedication.

B.TECH

The Graduate Aptitude Test in Engineering (GATE) is one of the most-challenging exams for engineering aspirants that opens the Gateway to IITs, IISC, NITs or foreign universities. However, proving their mettle, B. Tech. students of Shri Ram Murti Smarak College of Engineering & Technology, Bareilly qualified the prestigious GATE Exam that is inspiring enough for all budding engineers.

However, making SRMS Institution proud, Manali Verma, Mohtashim Ali, Shikhar Bajpai & Priyank Gupta have taken their career aspirations a notch-higher by qualifying GATE 2024.

OUTCOME BASED EDUCATION

Shri Ram Murti Smarak College of Engineering & Technology, Bareilly has implemented Outcome Based Education (OBE) through the ERP system CAMU, streamlining academic and administrative processes. CAMU helps track student performance aligned with course outcomes, program outcomes, and learning objectives. It enables faculty to plan lessons, conduct assessments, and evaluate student progress effectively. The platform also offers real-time analytics and dashboards, aiding in continuous improvement and accreditation readiness. CAMU ensures transparency and accountability in academic delivery. By integrating OBE with technology, SRMSCET fosters a student-centric learning environment focused on skills, knowledge, and competency development, preparing students for industry demands and lifelong learning.

Camu

FOSTERING STUDENT SUCCESS IN A DIGITAL AGE

Students need to feel a sense of purpose and security in their academic journeys, institutions must reorient themselves to helps students achieve success.

Building the right environment
Higher education institutions must be willing and able to adapt their strategies across all dimensions, in order to efficiently onboard and guide the new-age student.

Incorporating impact learning models
Enhance the overall learning experience through personalization, offer students the convenience, accessibility, efficacy and flexibility in education

Implementing efficient support services
higher education institutions must look to support students through effective training and mentorship programmes

Inculcating student- driven operations
achieve student success by developing student-centric processes the pay heed to the needs and wants of a diverse, dynamic and rapidly changing student population.

Initiating beneficial external partnerships
Institutions play a major role in helping students transition from the academic to the professional phase of life.

A Hub of New-Age Learning

OUTCOME-BASED EDUCATION

OBE Guide

Outcome - Based Education is a student-centered learning model. The success of this Outcome - Based Education strategy lies in setting achievable goals - whether short - term or long - term while empowering students to take responsibility for their own learning.

The college has implemented a student-centered instruction model i.e. Outcome-Based Education (OBE) system. The model emphasizes on monitoring student achievement through outcomes. The outcomes include knowledge, skills, and attitude. Its focus remains on evaluating programme outcomes by articulating the knowledge, skill, and behavior that a graduate should have upon completion of a programme and after 4–5 years of graduation/post-graduation. The Outcome Based Education Model helps achieve following objectives:

- Improve the quality of education by assessing the attainment of outcomes
- Enable students to do more challenging tasks viz. writing a project proposal, analyse case studies, giving presentations, develop ability to think, reason, explore, research, and make decisions based on the findings
- Enable students to demonstrate the skills and competencies developed during the program and subsequently increased employability
- To maintain national standards and worldwide comparability of learning outcomes and academic standards to promote global competitiveness and allow mobility of graduates
- Provide a valuable resource for developing teaching-learning techniques, evaluating student learning levels, and reviewing programs and academic standards regularly
- Improve the global ranking of the institute by transforming teachers into knowledge-creators

APPROVED BY AICTE, NEW DELHI   **AFFILIATED TO DR. APJ ABDUL KALAM TECHNICAL UNIVERSITY, LUCKNOW**

GOAL OF THE PROGRAM

SHORT TERM GOALS	LONG TERM GOALS
Building Strong Foundation	Industry Readiness
Technical Certifications	Innovation and Invention
Real Life Experiences	Placement with Pioneers
Learning Everyday	Flag Bearer Technocrat
Embracing Technical and Soft Skills	Creative & Competitive Technical Leaders

ADMISSION PROCEDURE

B.Tech. - 1st Year

- 85% seats of total intake of all branches are allotted according to the merit list of JEE-Mains as per State Government directives through online counseling.
- 15% seats of total intake & Vacant/Lapsed seats in all branches are allocated on the basis of merit of 10+2 marks (with 60% aggregate marks in PCM) & brief objective assessment.

B.Tech (2nd Year Lateral Entry)

Candidates who have passed Diploma of 3 years (with minimum 60% marks) recognised by UP Board of Technical Education in any branch of Engineering/Technology (except Agriculture Engineering) or B.Sc. (PCM) with 60% marks are eligible for admission to 2nd year.

INTEGRITY OF THE SYSTEM

All admissions are done maintaining absolute transparency at every level.

Admission against management quota is done through advertisements and the list of applicants with their merit is displayed on college notice board.

ELIGIBILITY

1st Year Admission :

(i) Candidate must have passed 10+2 or equivalent (with 60% aggregate marks in PCM) from a recognised board.

(ii) Must have a valid rank in JEE-Mains.

(iii) Admission under management quota will be made on the basis of merit of 10+2 marks in PCM without any grace marks in any of the subjects.

Lateral Entry (2nd Year) :

60% marks in B.Sc. (PCM) / Polytechnic / Diploma.

FEE PAYMENT

- Fee Payment @SRMS has multiple options for efficient, hassle free and secure fee payment for its students. Students can pay their fees in different modes like: Cash/ NEFT/RTGS/IMPS.
- Demand Draft should be in favour of "SRMSCET" payable at Bareilly.
- University fee will be submitted by students directly through University Portal.

SPECIALIZED LABORATORIES

CURRICULUM & LABORATORIES

The college follows the curriculum prescribed by Dr. APJ Abdul Kalam Technical University, Lucknow which is available on the website of the University.

ACCESSORIAL INFRASTRUCTURE

RESIDENTIAL AREA

The Institute has in-campus residential facilities for Faculty Members, Residents and Administrative Staff. The residential area is located on a sprawling and pollution free area and provides healthy condition for living. Within the residential area it has a Garden, parking space, 24 hrs. Security, Water Supply, Electricity, and Telecom facility is available.

ATM

The campus has an ATM Machine of Punjab National Bank which provides 24 hours ATM transaction facility. Punjab National Bank (CBS Branch), located at SRMS IMS provides banking & locker facilities.

GYMNASIUM

The Campus has a well equipped modern Gymnasium in the Multipurpose Hall.

Thus, students have options to choose from a range of sporting activities and exercises to ensure that they stay healthy enough to cope with the stress posed by modern day life.

TRANSPORT FACILITY

The college provides transport services regularly between campus and the city. College buses are made available to the students and faculty members for commuting from various points in the city to the college and back. All the buses reach campus before college hours and leave the campus after college hours. It is compulsory for all the students to make use of college buses or stay in the hostel.

RECREATIONAL FACILITY

The Campus has an Air-Conditioned Cafeteria where students get hygienic food, cold drinks, ice-cream, snacks, etc. The students relax and enjoy their leisure time in Cafeteria.

CAFETERIA

VIRTUAL CLASS ROOM

The college enhances the learning experience through a comprehensive I.T. Support system. A Virtual Class Room has Plasma Screen and LCD projector. Students can learn by listening and interacting with any Faculty/Expert from different parts of the world.

COMPUTER CENTRE

Computer Centre plays a critical role of a learning centre both for the students and faculty. Computer Centre is equipped with latest IBM/HP/Xeon server with over 250 network systems i7/i5/i3 Intel Processor, 2GB/4GB RAM, Memory 500 GB/ 1 TB Hard Drive, 17"/15" color monitor. The platform is available in Computer Centre - Windows-7, Windows-XP, Unix, Linux (ubantu) and Novell Netware using different softwares like - Oracle, Visual Studio, Photoshop, Illustrator, MATLAB, IBM Rational Rose, Director, C, C++ etc. Computer Centre is equipped with facilities such as: Scanner, Line, Laser and Dot-Matrix Printers. All students are given a personal computer account, e-mail address, network drive, personal space on the Web Server and access to the Internet. Computer Centre is open round the clock.

HEALTH CENTRE

The college maintains a primary health centre where primary medical services are made available to the students in the college campus itself. For tertiary services, SRMS-IMS, an ultra modern, 950 bed, centrally air-conditioned Hospital caters to the medical needs of the students and faculty. Moreover, 24 hours first-aid and ambulance facilities are available within the campus under the supervision of doctors and qualified assistant.

To give students peace of mind and tranquility which they need for better concentration and mental peace, the college has the required infrastructure for Yoga, Pranayam & Meditation.

SPORTS FACILITIES

The college provides facilities to students to pursue a wide range of sports activities on campus. The outdoor facilities include fields for athletics (6 Lane 400 Meters Track field with all accessories), hockey, football and cricket & courts for basketball, volleyball and badminton. College provides excellent indoor facilities for table tennis, badminton, billiards, chess, carrom & pool etc. There is also a separate indoor squash court on college campus.

TABLE TENNIS ACADEMY

KHO-KHO

BADMINTON ACADEMY

CRICKET ACADEMY

BASKETBALL ACADEMY

FOOTBALL ACADEMY

ATHLETICS

ACCESSORIAL INFRASTRUCTURE

GUEST HOUSE

The college maintains an air-conditioned guest house within the campus for the stay of individuals visiting the college. The rooms are well furnished with all modern facilities. The college provides the facility of a guest house to the parents of students and official visitors.

TEMPLE

To provide a spiritual environment to students, faculties & staff, all of our campuses have separate temples. Radha Mohan Temple of Lord Krishna & Radha and Narmadeshwar Temple of Lord Shiva with Family are in Bareilly and Lucknow campus. Lord Hanuman Temple is also in Lucknow campus.

HOSTELS

Thousands of students across the state are provided with residential facilities on the College Campus, which comes closest to being a home away from home. Separate facilities for boys and girls, caring wardens and all alert security to ensure a pleasant stay and focus on academics. There are 4 Hostels in the college campus- Revati Hostel (for girls), Shri Laxmi Bhushan Varshney Hostel & Er. Subhash Mehra Hostel (for boys) and Boys PG Hostel. These hostel rooms are well furnished. They have separate messes managed by the Students Committee. Hostels have the 24-hour power supply, hot water supply in winters, common rooms with LCD TV & indoor games. Only vegetarian and nutritious foods are served in the hostel mess.

CENTENNIAL AUDITORIUM

Shri Ram Murti Centennial Auditorium

The campus has a state-of-the-art fully air conditioned "Shri Ram Murti Smarak Centennial Auditorium". The total seating capacity of the centennial auditorium is 1238 viewer's seats, and a stage for 50 seats. The seating capacity of the balcony is 414 viewer seats. The centennial auditorium is fully media equipped with LCD Projectors and HD Sounds Systems to host International Conferences, seminars, guest lectures, cultural events, etc.

Mobile Smart Classroom

Modern Education Facilities in Village Dhaura Tanda - SRMS Trust is continuously contributing in the Infrastructure up gradation for High School & Intermediate Education by renovation of Building, providing furniture and establishment of Computer Lab at Sahu Thakur Das Inter College, Dhaura Tanda, district Bareilly (Established 1984).

Renovated Building of Sahu Thakur Das Inter College

OTHER SOCIAL SERVICES :

Continuous Support to DISHA - DISHA is a non-profit charitable institution located in Bareilly with the mission to provide opportunities to physically challenged children belonging to poor and illiterate families and make them productive members of society. Trust has taken the responsibility of regular free medical checkup, medical facility and organization of recreational activities (Picnic, Singing and dancing competitions & Painting competitions etc.) for these children.

Students of Disha School enjoying picnic in Alakhlanda Club

RAM MURTI PRATIBHA ALANKARAN - (राम मूर्ति प्रतिभा अलंकरण)

The SRMS Trust annually honours three eminent personalities of Uttar Pradesh, who have made the Nation proud through their professional services. It includes a cash award upto Rs. One Lakh. Since 1993 the following eminent personalities have been honoured with Ram Murti Pratibha Alankaran: Sudhanshu Maharaj, Priyanka Chopra, Bhuvan Chandra Harbola, K.P. Saxena, Jayant Krishna, Shakir Khan, Prof. (Dr.) Sahitya Kumar Nahar, Prof. (Dr.) Shiv Narayan Kureel & Mr. Anshuman Tiwari, Payal Agarwal & Abhilasha Agarwal etc.

Shri Dev Murti, Chairman SRMS, Trust

Dr. Naresh, Writer

Dr. Arjumand Zaidi, Social Worker

All Round Development of Students:

Debate Competition - Since 1991, the Trust has been organizing debates on various burning topics of National and International value. SRMS fosters intellectual excellence and celebrates outstanding debaters in Annual Inter Collegiate and Inter School Competition. The winners (debaters) are felicitated with awards and trophies in senior and junior categories.

Chal Vaijanti Award in Junior Category

Painting Competition - The Trust organizes painting competitions, which provide an opportunity to display artistic talent express creativity and imagination. Such Art & Painting competitions help the artists to explore their thoughts and imagination, and build their own sanctuary of beauty.

ENVIRONMENTAL PROTECTION

Today, the biggest challenge faced by the humanity around the world is environmental protection. Keeping this in mind, efforts are underway at various levels to save the environment throughout the world. Efforts are on to conserve the environment through movements, treaties etc. The Trust has also accepted the challenge of environmental protection and has contributed to save the environment in the following ways.

Tree Plantation

Plantation is the only and most accurate criterion for purification and strengthening of the environment. Trees not only purify the air but also fulfill the shortage of vital air. Soil erosion, air pollution, etc. are checked through plantation. The Trust has discharged its duty by imposing more than 10,000 plants so far for its pledge of environmental protection.

Organic Farming

Mostly fertilizers are used for high yield of crops in the fields. This improves yield, but also reduces fertile capacity of soil. Apart from this vegetables produced using fertilizers get poisonous. Which can cause various types of fatal diseases. In view of this, the Trust decided to undertake organic farming. under which crops are being grown using less fertilizers and maximum use of organic manure. So far, about 17 tonnes of tomatoes, 1 ton of okra, 5 tonnes of brinjal, cabbage, wheat and paddy have been successfully produced through organic farming.

Use of Renewable Energy

The Trust has focused a lot on the use of renewable energy in its institutions. For this, the trust has installed solar panels on the buildings of its various institutions. Various types of work such as heating water, lighting in the dark, etc. are being done well by the electricity generated through solar panels.

Use of Solar Panels

Rain Water Harvesting

We all use water a lot for our daily needs. Apart from this, water is also highly used in factories.The main source of this water supply is ground water. The level of ground water is continuously decreasing. The Trust has made more than 100 rainwater harvesting sites in its various institutions with serious consideration on this issue. By which control of water level is done by bringing the water back to the ground water in the rainy season.

Plastic Free Campus

The Trust has decided that plastic should be used at least in the Trust premises. Many awareness campaigns have been conducted by the Trust regarding the problems of excessive use of plastic. A rule has also been made by the trust on plastic ban in the campus. The main objective of which is to keep the trust premises plastic-free and green.

INSTITUTIONS ESTABLISHED & RUN BY THE TRUST IN THE FIELD OF PROFESSIONAL EDUCATION

1. **Shri Ram Murti Smarak College of Engg. & Tech. Bareilly (Estd. 1996)**
   The college offers AICTE approved courses B.Tech. (Computer Science & Engineering, Electronics & Communication Engineering, Information Technology, Electrical & Electronics and Mechanical Engineering), B.Pharm, MBA, MCA, M.Tech., (CSE, EE, ECE and CAD&M) and M.Pharm (Pharmaceutics). The college is affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. Pharmacy courses are also approved by P.C.I.

2. **Shri Ram Murti Smarak Institute of Medical Sciences, Bareilly (Estd. 2002).**
   MBBS & MD/MS(Pre, Para & Clinical Departments) Course is approved by Medical Council of India, New Delhi since 2005-2006. It is affiliated to MJP Rohilkhand University, Bareilly. The Institute is running 4 certificate courses (IDCCN, IDCCM, PGDCCM and PDCC).

3. **Shri Ram Murti School of Nursing, Bareilly (Estd. 2006) (Now merged with SRMS Nursing College, Bareilly)**
   It offers Diploma in General Nursing & Midwifery (GNM), approved by INC, New Delhi.

4. **Shri Ram Murti Smarak College of Engineering, Technology & Research, Bareilly (Estd. 2008)**
   The college offers AICTE approved courses B.Tech. (Computer Science & Engineering, Electronics & Communication Engineering. The college is affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

5. **Shri Ram Murti Smarak International Business School, Lucknow-Kanpur Road, Unnao (Estd. 2011)**
   AICTE approved PGDM course. World class infrastructure & it is located at 15 km. from Amausi Airport Lucknow.

6. **Shri Ram Murti Smarak Institute of Para Medical Sciences, Bareilly (Estd. 2011)**
   Approved by U.P. State Medical Faculty, Lucknow. & Govt. of Uttar Pradesh & is Affiliated to Atal Bihari Vajpayee Medical University, Lucknow. Institute. Offering B.Sc. Degree in Medical Laboratory Techniques, Physiotherapy, Optometry, Radiological Imaging Techniques OT Techniques, C.T./M.R.I. Techniques, PG courses- M.Sc. & MPT.

7. **Shri Ram Murti Smarak College of Nursing, Bareilly (Estd. 2017)**
   SRMS College of Nursing, offers B.Sc. (Nursing), Post Basic B.Sc. Nursing, M.Sc Nursing (All specialities). The college is recognized by Indian Nursing Council, New Delhi and affiliated to Atal Bihari Vajpayee Medical University, Lucknow & U.P. State Medical Faculty, Lucknow.

8. **Shri Ram Murti Smarak College of Law, Bareilly (Estd. 2018)**
   Approved by Bar Council of India and affiliated to MJP Rohilkhand University. The College offers Integrated B.A. LL.B (5 Years) & LL.B (3 Years) Program.

9. **Shri Ram Murti Smarak College of Nursing & Paramedical Sciences, Unnao (Estd. 2018)**
   The college offers GNM (3 Years), ANM (2 Years) & Paramedical Diploma (2 Years).

20. Received U.P. Technical University "Star Performer Academic Excellence Award- 2009" for B.Tech, M.B.A., M.C.A. and B.Pharma courses.

IMPORTANT INSTRUCTIONS

CHANGE OF BRANCH

The branch of study once allocated by the University shall not be changed; however, such changes may be allowed against vacant seats at the beginning of 2nd year, on the basis of merit in the B.Tech. 1st year examination result (without any back and grace marks).

Change of branch may be allowed against the vacant seats in the following two stages:

A.
  i. In the 1st year, branch change should be completed within 10 days of the last date of admission to the B.Tech., 1st Semester, strictly on the basis of combined general merit of entrance examination on vacant seats.

  ii. After change of branch, number of students in branches shall neither increase over the intake approved by A.I.C.T.E. nor decrease below 75% of intake approved by A.I.C.T.E.

B. In the 2nd year (3rd semester) Branch Change should be completed according to the following criteria:

i. Branch change at the college level shall be carried out by the Director / Principal of the college.

ii. Facility of Branch Change at the 2nd year (3rd Semester) level shall be available only to meritorious students and shall not be considered as a matter of right.

iii. Branch Change is permitted in the beginning of the 3rd Semester (2nd year) only.

iv. For the purpose of branch change, the "prescribed intake" shall be the intake prescribed by AICTE for the previous academic session including 10% intake for fee waiver seats, if applicable, when the students were admitted to first semester level. Subsequent variations in intake shall have no bearing on the students eligible for branch change.

v. Maximum number of students permitted to change of branch shall be 25% of the students enrolled in the first year in the respective branch (s), subject to the strength of the class not decreasing below 75% of enrolled students and also not below 50% of intake approved by AICTE. After branch change the intake must not be more than approved AICTE intake including the fee waiver seats.

vi. Branch change can be made only against clear vacancy in a particular branch, Vacancy (V) being defined as: V = I - (Reg + Rep + Lat)

where I = The prescribed intake for the branch including 10% intake for fee waiver seats.

Reg = No. of regular students who have been promoted & registered in third semester (including NRI & Management Quota seats)

Rep = No. of students from previous batches, registered in third semester as a regular students.

Lat = No. of students admitted & registered in third semester directly through lateral entry against vacant seats at first year level.

Branch Change shall not be permitted to any course where (Reg + Rep + Lat) > or = I under no circumstances, there shall be any exception to the above stipulations.

vii. Branch Change shall be strictly according to the Merit list prepared by the college on the basis of total marks obtained by a student in First Year University Examination. Only those students who have passed in all the subjects (without any carry over paper or grace in any subject of any semester) shall be considered.

viii. B.Tech. Biotechnology, B.Tech. Agriculture or Lateral Entry students shall not be eligible for branch change.

ix. Students admitted on any seat which is over and above the AICTE sanctioned intake (such as Lateral entry, Kashmiri migrant) shall not be eligible for branch change.

x. Change of Branch should be completed within 10 days of the declaration of First & Second Semester (First Year) result.

xi. Excess intake in any branch shall disentitle the college to effectuate any branch change in that discipline until the punitive measure, such as reduction in intake etc. as imposed by Dr. APJ Abdul Kalam Technical University is effective.

xii. College / students shall not be entitled to any relief, if the guidelines mentioned above for permitting branch change are not strictly adhered to.

RAGGING IS PUNISHABLE OFFENCE UNDER LAW

As per the orders of Hon'ble Supreme Court, AICTE, PCI, State Government and Dr. APJ Abdul Kalam Technical University, Ragging is illegal and completely prohibited and banned both inside and outside the college campus. A F.I.R. will be lodged against the student(s) involved in ragging if informed by victim student(s) or his/her parents/guardians.

As per Hon'ble Supreme Court of India's Order : **"If any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the institution".**
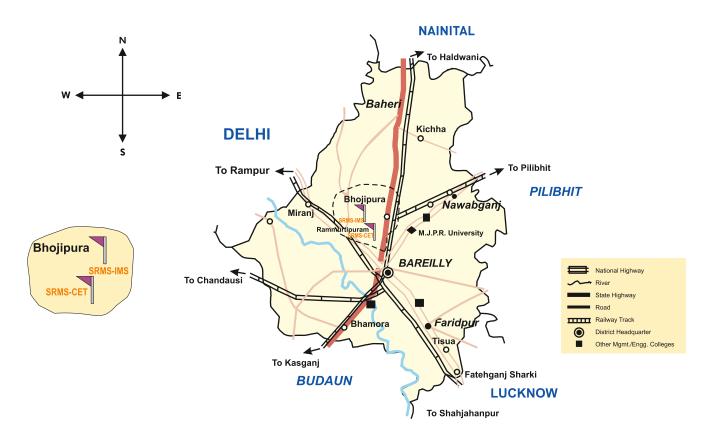

श्री राममूर्ति संस्थान...... श्री राममूर्ति संस्थान......
श्री राममूर्ति संस्थान, नमन हो तुमको बारम्बार
इसके कण–कण में बसता है ज्ञान और विज्ञान
श्री राममूर्ति संस्थान......

1. पूज्य पिता की याद को लेकर
   आपने की है इसकी रचना
   यही प्रयत्न हम सबका भी है
   आपका हो सपना साकार
   श्री राममूर्ति संस्थान......

2. इसकी पावन भूमि में है 2........
   हर शिक्षक भगवान 2......
   जिसमें पढ़ते हैं सब मिलकर
   भौतिक गणित रसायन 2.....
   श्री राममूर्ति संस्थान......

3. यहां ज्ञान के साथ–साथ है पूजा का स्थान
   जहां विराजमान है देखो
   श्री कृष्ण भगवान 2.....
   हर मानव नतमस्तक होकर करता ईश का ध्यान
   श्री राममूर्ति संस्थान......

4. इसके आंगन में है रहकर 2.....
   मिले अभियंता नाम
   मिले प्रबंधक नाम
   ज्ञान की डोर और बढ़ाना
   यही है इसका काम
   श्री राममूर्ति संस्थान......

How to Reach
